THE art & antique WALK

THE FIRST THURSDAY OF EACH MONTH

CANTON EMBRACES THURSDAYS. The oldest, and the original, Canton Flea Market Arts & Crafts Show is the catalyst for the Art & Antique Walk, which features antiques, collectibles, and arts. Begun in the 1830's, this historic community honors its preservation efforts through our architecturally preserved square — take a stroll back in time to enjoy the square, local artisans, craftsmen, and musicians. Come to a place where you'll be inspired by the creative individuals who make Canton unique.

Each month has a different theme.
